SKILLS

- JavaScript, jQuery
- Node, Express
- HTML, CSS
- MySQL
- MongoDB
- Git
- Heroku

EDUCATION

UNT - Denton, TX

2008 - 2012

EXPERIENCE

Recipe App:

Used three APIs to coordinate a recipe search tool for food and drinks as well as a map.

Trivia App:

Using Node.js, Express, MySQL Database and Firebase Authentication SDK the trivia app tallied the users score based on the time and logged the users in and out securely storing their information in the database.
